## MISSIONARIES TO TAIWAN

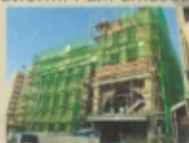

February, 2018

Dear Pastor & Praying Friends,

Chinese New Year has passed so everyone did their big, yearly house cleaning. Companies are taking their employees out to dinner, and red envelopes containing money are being prepared for everyone as a New Year's bonus. It is somewhat like the Christmas atmosphere in the States. We will be attending a winter youth camp with other sister churches and having an overnight outing with our church people. I just returned from teaching in a secret Bible School in China. It was such a blessing to teach the Bible to Believers eager to learn God's Word.

The Christmas ministry in the local schools went well. During the month of December we were able to have 60 sessions with over 5,000 students and over 300 teachers hearing the gospel message and the true meaning of Christmas. The students were very attentive as the program was presented. We are now contacting schools for the Easter programs to be held during the month of April. Please pray with us that God would continue to open doors for us to tell the resurrection story.

The new church building is still scheduled to be finished the end of April. Then we will begin our part of building interior walls and the platform. I am amazed at how the Lord is touching hearts to help provide the financial needs for this church. We are now within 20% of reaching the needed amount for the building! All I can say is, "Praise the Lord!" May He receive all the praise and glory!

We thank the Lord for several who have been saved recently. We also praise the Lord for some who have come back after being out of church for a time. We want to thank each one of you for the Christmas cards and special gifts as well as the offerings for the building that you have given. May the Lord bless you for your help in the Lord's work in Taiwan.

In Christ's Service
