North Africa Connection

"Making connections through peoples, projects, & partnerships"

January 28, 2019

Dear NAC Partners,

It has been an epic year of outreach in North Africa for 2018 because of you gave. Literally thousands have had the opportunity to see the gospel displayed through the efforts of our volunteer teams. Projects such as medical/dental clinics, warm blankets, shoes and jackets distributed, school back packs and supplies given to needy families, planting 100's of trees and general clean up in remote villages are just a few examples of our outreach programs.

Our national leadership team has distributed evangelistic micro SD cards and tracts. Plus, we began printing bibles and gospel portions utilizing the (POD) or print on demand printing equipment housed in 3 separate North African countries. New web-sites have been built to share and expose the gospel through the internet, where our follow up teams communicate privately with interested seekers. Your gifts supported and enabled these leaders...Praise the Lord!

Did you know that theological training, discipleship classes, evangelistic conferences play a huge role in the NAC strategy? Pastors and church leaders have consistently been educated in biblical studies and trained in church planting as well as sharing their faith while living in this hostile region. Your dollars have supported these efforts as well as enabled the underground church to thrive.

Your statement of contribution is enclosed for your review. If you have any questions, regarding the statement, please feel free to contact us at: nac@northafricaconnection.com

Please join us in praying that God will raise up more faithful people to reach North Africa in 2019. Thanks again for your faithful gifts to continue the work. We are very grateful and thankful that you are a part of this strategic ministry that is impacting the Muslim world in North Africa.

May God continue to bless you and your family as you bless others!
